

Ten Investment-Grade Wines

Current Market Value · 5-Year Projection · Sourced for Caveau Founding Member Events

Each bottle below was selected to demonstrate the Caveau thesis: properly stored, investment-grade wine appreciates. The prices below reflect current Wine-Searcher market averages or documented secondary market values as of early 2027. Five-year projections apply conservative historical compound annual growth rates. All projections are estimates — verify with Liv-ex before investor or member use.
